SAMA ANNUAL CONFERENCE: EXCLUSIVE OFFER FOR SADA MEMBERS

SAMA is pleased to present members of the South African Dental Association (SADA) with an exclusive offer of a 10% discount on the registration fees for the SAMA Annual Conference to be held from February 15–17, 2024 at the Sandton Convention Centre.

The conference presents a valuable opportunity for your members to:

- Immerse themselves in the latest advancements in the medical field.
- Foster meaningful connections and expand their professional networks.
- And to enhance their skills to ensure staying at the forefront of their specialities.

About the conference:

The conference theme, Towards Strengthening Health Systems, enables industry stakeholders to fortify strategic networks that will ultimately influence health policies and create a pandemic preparedness framework post-COVID-19. It will also unpack the imperatives that are needed to strengthen healthcare systems, which impact both the public sector and private practice.

We are excited about the partnership with SADA and believe that our collaboration will be mutually beneficial. If you have any questions, please do not hesitate to contact Ms Nomonde Süßmann at nomondes@samedical.org or on 082 927 9106.

For assistance with conference registration, please contact Thandeka Ngubo from The Conference Company at thandeka@confco.co.za or 031 303 9852

Act now to secure your savings in the Amalgam Recycling Program!

We hope this message finds you well and thriving in your dental practices. As part of our ongoing commitment to supporting our members, we are excited to remind you about a valuable opportunity that can benefit both your practice and the environment.

Introducing the Amalgam Recycling Program with DRISA

In partnership with Dental Recycling International, South Africa (DRISA), we are thrilled to offer you an exclusive opportunity to participate in the Amalgam Recycling Program. This program is designed to help you ensure regulatory compliance, reduce environmental impact, and simplify your amalgam waste management.

Lock in Your Savings

By joining the Amalgam Recycling Program, you can secure significant savings on your annual recycling costs. Sign up before February 15th, 2024 to lock in the lowest prices available - starting at only ZAR 6520 for annual recycling. After the upcoming deadline, the annual recycling cost will increase.

We encourage you to take advantage of this exclusive offer now to lock in your savings and ensure cost-effective compliance. Best of all - SADA and DRISA are working together to provide your amalgam recycling separator unit for FREE, and your first recycling payment won't be due for a whole year! Act now and lock in the lowest prices available for 3 or 5 years.

How to Sign Up

Signing up for the Amalgam Recycling Program is easy. Simply click on the following link to access the sign-up page: [Sign Up Now](#)

Prepare for Upcoming Regulations

Regulations concerning amalgam waste management are on the horizon, and compliance will be essential. By joining the Amalgam Recycling Program, you are proactively preparing your practice for these changes while contributing to a sustainable future.

Questions or Assistance

If you have any questions or need assistance with the sign-up process, please don't hesitate to reach out to us. Our dedicated support team is here to help you every step of the way.

Thank You for Your Commitment

We appreciate your dedication to responsible dental practices and environmental sustainability. Your involvement in the Amalgam Recycling Program is a testament to your commitment to both your patients and the planet.

Don't miss this opportunity to secure your savings and prepare for regulatory changes. Sign up today and lead the way in sustainable dental practices.

Thank you for choosing DRI SA as your compliance partner. We look forward to assisting you on this important journey.

Best regards,
DRI SA - Dental Recycling International, Inc.

P.S. Secure your compliance solution today and enjoy the benefits of a worry-free future. Visit our website www.dentalrecyclinginternational.com or contact Marc Sussman at mmsussman@dentalrecyclinginternational.com. Don't wait!
