SADAríte Concerns raised regarding the webinar of 12 September 2024

Dear SADA Members

We have received complaints concerning the webinar held on 12 September 2024. We wish to clarify that this was not a South African Dental Association (SADA) event but was independently organised by the South African Association of Paediatric Dentistry (SAAPD), which has full autonomy over its programmes.

We are in communication with the leadership of the SAAPD and trust they will address the concerns raised accordingly.

SADA remains committed to an apolitical stance and is sensitive to the ongoing crisis in the Middle East. We uphold the values of professionalism and empathy and will continue to ensure that our actions reflect these principles.

Thank you for your understanding.

Best regards,

KC Makhubele
CEO, South African Dental Association
