Dear SADA Members

### **UPDATE ON THE HEAD OF LEGAL ROLE AND APPRECIATION FOR MR PUNKAJ GOVAN**

As many of you are aware, over the past few years we have been indicating that Mr Punkaj Govan, our esteemed Head of Legal, would be concluding his journey with the Association. His formal term of employment came to an end in December 2024. However, given the ongoing needs of the organisation and the value he continues to bring, we extended his contract until June 2025.

Mr Govan has served SADA with exceptional commitment, wisdom, and integrity for many years. He is one of our longest-standing and most respected team members, having played a vital role in strengthening the legal and governance foundations of our organisation. While we will take time in the near future to appropriately honour his remarkable contributions, we would like to express our deepest gratitude for his unwavering dedication and excellence in service.

In light of Mr Govan's transition, the Head of Legal position - advertised on various platforms which many have seen - is now in its final recruitment phase. To ensure we find the right person to carry forward this critical role, we have extended the recruitment period until **16 May 2025**. The job spec can be viewed with this [link](#).

We encourage all members to share this opportunity widely. If you are suitably qualified and interested, we also warmly invite you to apply.

Thank you for your continued support.

Warm regards

**KC Makhubele**

**SADA Chief Executive Officer**
