Dear Member

CMS CLINICAL ADVISORY COMMITTEE APPOINTMENT

We are pleased to announce that Dr T. Parbhoo, as a SADA representative, has been officially appointed to serve on the Clinical Advisory Committee of the Council for Medical Schemes. Her appointment will run from 1 October 2025 to 30 September 2026. The Committee plays a vital role in guiding the Council on matters of clinical policy and practice, and Dr Parbhoo's expertise will be an asset in shaping its deliberations.

The first scheduled meetings of the Committee will take place on 10, 17, and 24 October 2025.

STAY AHEAD WITH THE SADJ – YOUR MEMBERS-ONLY MCQs!

The *South African Dental Journal (SADJ)* is more than just great reading — it's your key to achieving annual CPD requirements at no extra cost!

As a SADA member, you get **exclusive access** to MCQs via FlexQuiz, a free membership benefit designed to keep you current, confident, and compliant.

Here's how easy it is:

1. Log in as a Member.
2. From the **Main Menu**, select *Publications & Press*.
3. Choose *The South African Dental Journal (SADJ)*.
4. Click on **SADJ – Member-only access to MCQs**.

From there, you can:

- Read the SADJ online or download it to any device.
- Complete either the **Clinical** or **Ethical MCQ** linked to the issue.

Remember: All SADJ CPD Questionnaires remain valid for two years from publication — so you have time to plan and complete them at your own pace.

In the future, we'll share updates to make it even easier for you to stay on track with your CPD through the SADJ. For the July 2025 edition, you will find the following articles :

- Guided by Data, Grounded in Values: Dentistry in the Age of NHI and AI – Prof NH Wood
- Continuing to Elevate the Standard: SADA Congress 2025 and the Ongoing Development of Oral Healthcare Practitioners – Mr KC Makhubele
- First permanent molar root canal configurations in a South African sample: a descriptive micro computed tomographic report – CH Jonker, G Lambourn, PJ van der Vyver, CEG Theye, F Foschi, ENL'Abbé, AC Oettlé
- Final-year dental students' perceptions of verbal feedback in the clinical setting – C Peck, N Mohamed, L McNamee
- Efficacy of GapSeal® in Preventing Microleakage at the Dental Implant Abutment Interface – H Badi, E Maboza, A Jefftha
- Antimicrobial Resistance and the Dentist: A review of literature – S Ahmed, R Ahmed, RZ Adam
- An Ectopic Tooth in the Coronoid Process: a rare case report – AI Black, MD Perumal, S Kim
- What's new for the clinician – summaries of recently published papers (JULY 2025) – Prof V Yengopal
