

Circulation date: 1 June 2023

Dear Oral Healthcare Practitioner

EVERY SADA MEMBER MUST SIGN UP FOR THE NEW MY GLUE MEMBERSHIP CRM - LESS THAN 1 MINUTE!

On March 1, 2023, all SADA members received an invitation and welcome email. In these two emails, we urged members and non-members who are on our database to sign up to activate their profiles on the new system as well as to download the MyGlue Mobile App. Once the practitioner has signed up and downloaded the app, they can manage their profile details and more through the system. The process is very simple and takes less than 1 minute. Thank you to the many who have already signed up. We are aware that many practitioners have not yet activated their profiles or downloaded the application, resulting in a lack of access to important shared information. **See "THE BENEFITS OF MY GLUE"** to see the benefits of the new system. To activate your profile and download the app, please follow the below process:

HOW TO SIGN UP AND DOWNLOAD THE APP

Apple user: Search My Glue in the iStore
Android user: Search My Glue in the Play Store

Install Application - Open

Register for an account -

<https://app.glueup.com/register/account>

Account Login -

<https://app.glueup.com/account/login>

The My Glue app is a free mobile app for you our SADA member, as SADA is a My Glue Up customer.

1. Please select Register to create your MyGlue account. Alternatively, Login if you already have a Glue Up account.

2. Once you are in the Register section, you must register with the email address which is your primary email address in the SADA database. The email address that SADA uses to communicate with you.
3. Your email address is your Username and is the unique identifier for your account. Therefore only one profile may use that email address. If you are uncertain regarding the primary email address used by SADA please refer to the top of this communication where your email address is provided.
4. Create the Password you wish to use.
5. Once you have successfully registered, you will receive a verification email to the email address you provided, once verified you will be recognized in the system, and you will be able to log into your MyGlue profile using your Username and Password.

THE BENEFITS OF MY GLUE

Did you sign up already and download the app? If you wish to experience a positive SADA membership experience, please do so without delay. All members are required to sign up.

As valued members of the SADA community, we are excited to introduce you to the numerous benefits of having a MyGlue account, our cutting-edge all-in-one membership platform. Whether you're a seasoned professional or just starting your journey, My Glue is designed to elevate your experience and provide you with unrivaled opportunities.

Here are some of the key benefits you can enjoy by activating your account on the MyGlue SADA Membership Management System (CRM):

Streamlined Event Management

With MyGlue, viewing and registering for upcoming events has never been easier. The advanced event management tools include event registration, ticketing, online payment processing, and attendee management. The user-friendly event pages make your life easier.

Powerful Membership Management

You can now search and connect with your fellow SADArtes. Stay connected with your fellow SADA members effortlessly through MyGlue membership management features. From member directories and communication tools to customized membership levels and renewal automation, you can strengthen relationships, foster collaboration, and grow your professional network.

Simplified Communication Channels

MyGlue provides a centralized hub for communication, making it effortless to stay up-to-date with important announcements, news, and updates from SADA. You can access discussion forums. All branches and specialties have their own communities to allow engagement. You can access private messaging and group chats to connect with like-minded professionals, share insights, and seek guidance from industry experts. Think of it as a secured private WhatsApp group on SADA's platform.

Resourceful Content Management

As a member of SADA, you gain access to a vast library of educational resources, industry insights, and thought leadership content. Explore webinars, whitepapers, and e-learning courses curated by experts in your field. Enhance your professional skills and stay ahead of the curve with our comprehensive content library.

Networking Opportunities

MyGlue opens doors to endless networking opportunities. Discover new business partnerships, engage with industry leaders, and connect with potential clients through the platform's matchmaking features and

business directories. Whether you're looking to expand your reach or collaborate on projects, MyGlue provides the perfect environment to foster valuable connections.

Mobile-Friendly Experience

The website version is connected to the MyGlue application. Stay connected on the go with MyGlue mobile app, ensuring you never miss out on the latest updates and events. Access your account, register for events, connect with members, and access content directly from your smartphone or tablet at your convenience.

Don't miss out on these incredible benefits! To sign up for your MyGlue account and unlock these features, refer to the attached step-by-step document. If you already have an account, ensure you have updated your profile and explored all the available tools and resources.

FDI Sustainability in Dentistry Summit

The **FDI Sustainability in Dentistry Summit** is a virtual global event on **5 June 2023** from 10 am to 5 pm CET. Renowned experts worldwide will share case studies, ideas, and research projects that highlight the need to reduce the environmental impact of dentistry without compromising the quality of oral **health care** or negatively affecting the dental profession.

DENIS launched a new Scheme APP and Provider portal on 31 March 2023

The features of the App include:

- A seamless onboarding experience, which includes user guides that encompass descriptions of the Provider Portal's and Mobile App features.
- Quick access to membership and benefits confirmation.
- Claims & GEMS tariff files.
- A quick ICD10 Codes search.
- Documents upload section.
- Practice profile update requests.
- Provider FAQs.

An online pre-authorization will be looked at in the next phase of the development. Please direct any inquiries you may have regarding this Scheme App to Denis by telephone at +27 (0)21 528 5300

Yours in oral health
